Tammie Hynum, Hazardous Waste Division Chief, will be attending; I'll let her know about the agenda and ask if anyone else will be attending. Thanks.

I had a conference call this morning with Marvin and Val Michael. There will not be a formal printed out agenda. Marvin did express how he wanted the meeting to flow. A short briefing/power point by each team member will start off the meeting. The meeting is scheduled for 1pm in the Ellen Berry Conference Room on November 18. What is the name of the ADEQ representative that will be attending?

Good Morning Lance,
Will there be an agenda for the meeting with the PRPs? If we don't plan to draft one we need to let ADEQ know or send them a copy.
Thanks,
Lydia
